

Important Information About Procedures for Opening

To assist the government fight against the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all credit unions to obtain, verify, and record information that identifies each person who opens an account.

What that means for you: When you open an account, we will ask you for your name, address, date of birth, and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying documents.
